

The facility has a large group of volunteers who are very dedicated to the residents. They give of their time to help with programs and to bring the community to those who reside at the facility.

There are a variety of volunteering opportunities ranging from assisting with the residents in the home (such as the assisted eating program, escorting resident to programs, assisting with programs (bingo, church, musical programs, special events, palliative care, one-on-one visitation, etc.) to joining in the fundraising efforts of our support group, the Friends of Dykeland.

We encourage family and friends to become volunteers. For more information please contact the Director of Recreation, Victoria Gagne, at 798-8346 or email her at dor@dykelandlodge.ca
